To Whom It May Concern:

My name is Brian Everett; I have been a defensive tactics and impact weapons instructor for law enforcement officers for over eleven years. Recently I had the pleasure of meeting and training with a Benjamin Salas. I found Mr. Salas to be an excellent instructor, his martial arts and law enforcement background make him a great asset to the law enforcement community. I would recommend Mr. Salas to any law enforcement agency interested in sound defensive tactics training. Mr. Salas is very knowledgeable in empty hand tactics, impact weapons and defense against edge weapons.

Sincerely, Brian Everett
