To: To whom it may concern

From: Lt. Michael R. Bolender

This letter is a letter of recommendation for Ben Salas for a position as a defensive tactics instructor. I was fortunate enough to have been trained by Ben in Brazilian Jui Jitsu while he taught in Milwaukee WI. I myself am a Use of Force Instructor (Firearms, Defensive Tactics, O.C., Squad rifle, chemical munitions, less lethal, active countermeasures and noise flash diversion devises) and I am the Lieutenant that oversees our Department's Use of Force Training and have been privileged to train around the country in numerous disciplines with well-respected instructors, I find Ben Salas to be knowledgeable in multiple disciplines with a great attitude that made training both beneficial and something to look forward to. In my opinion Ben Salas would make an outstanding Instructor in law enforcement especially defensive tactics.

Sincerely,

LT. Michael R. Bolender
Tactical Team Leader
Lt. in charge of Use of Force Instruction
