1. Thank you for your work as a civilian contractor with Pacific Tactical Law Enforcement Team. You and your group have provided PACTACLET operators with enhanced defensive tactics that greatly increase confidence and skill in conflict resolution. PACTACLET is constantly seeking new ways to improve and develop our training programs. Your curriculum and course material was applicable and perfectly suited to our needs. The innovation of your program has greatly improved our ability to provide the most realistic training for our team members in the field.
2. From 2004 to 2006 you have delivered multiple customized courses of instruction to include Ground Control & Compliance, Contact Weapons Defense and Multiple Firearms Retention & Counter Retention. Your professionalism and attitude have reflected the universal TACLET motto of "train, enforce, interdict" and your training has contributed greatly to the United States Coast Guard. Thank you for a job well done!
