

DEPARTMENT OF THE AIR FORCE
AIR FORCE RESERVE COMMAND

MEMORANDUM FOR WHOM IT MAY CONCERN

FROM: 94TH Security Forces Squadron Operations Officer

SUBJECT: Letter Of Recommendation for Benjamin Salas

1. I have worked with Mr. Salas on numerous occasions and his ceaseless knowledge and patience with students continues to impress me. Mr. Salas is a consummate professional that takes his art and his passion for teaching to the next level. Benjamin is truly born to be a teacher, he not only thrives in this environment but the students come alive under his instruction. It is impressive to watch Mr. Salas bring his art to a level to teach a group of students that might not have much training in any martial arts. Benjamin is not only committed to safety in the class room, but to every student.

2. During the Iraq War I had to deploy Security Forces Team to Iraq and to Afghanistan to support the war effort. Their mission was basically the first line of defense for the Air Base out in the middle of nowhere. I requested Mr. Salas come in and teach a seminar on defensive tactics in a combat zone for a soldier. Benjamin was able to put together a curriculum based on my needs and present it to the team. Needless to say it was very impressive!

3. I take great pleasure in recommending Mr. Salas, he truly is an asset with a wealth of knowledge. He is a team player with a positive can do attitude that loves to aggressively face challenges and overcome them. If you would like to discuss Mr. Salas further please feel free to call me at 678-655-4161.
